Statistical Year Book 2016-2017

الكتاب الاحصائي السنوي 2016 – 2017

Office of Institutional Effectiveness

After 33 years of publication, the UAE University Statistical Yearbook continues to be one of the principal sources of data for both internal and external University stakeholders. The statistical yearbook presents a "snapshot" of UAE University. The publication is produced annually by the Office of Institutional Effectiveness at the University and is intended to provide yearly statistics regarding students, graduates and staff.

In order to make information more readily available to all constituents, the Office of Institutional Effectiveness website provides an online version of this publication. The website is also a source of other valuable information related to the university. It can be accessed using the following address:
<http://www.uae.ac.ae>

We hope that you will find value in this year's presentation of information on UAE University.
